Memorials.

Surely there can be no fitter memorial of a departed relative or friend than the endowment of a Bed or Cot in a Hospital.

It is difficult to think of anything more beneficent than the endowment of a Hospital bed ; or to picture a place more appropriate for a record to the Memory of a loved one than that which is dedicated and constantly devoted to the service of the sick and the alleviation of suffering.

Moreover, in the Hospital Ward, a Memorial Tablet with its inscription will be secure against disfigurement and carefully protected from the dilapidations of time.

New Nurses' Home—Sister's Bed-Sitting Room.
(Architect : Sir Edwin Cooper, A.R.A.)

ANNUAL REPORT FOR 1934.

THE Board of Management have the honour to submit to the Governors and Subscribers their report for the year 1934, together with the accounts audited by Messrs. Price, Waterhouse & Co.

PROVISION OF A NEW NURSES' HOME AND PAY BED BLOCK FOR PATIENTS OF MODERATE MEANS.

Attention has been drawn to the urgent need for additional accommodation for the Nursing Staff and for the provision of a Pay Bed Block for patients of moderate means in most of the Annual Reports of the Hospital published since the War. It is therefore an especial pleasure to the Board of Management to report that owing to the munificent gifts which have been made during the year by an anonymous donor, together with the organised efforts of a great number of friends of the Hospital, sufficient funds are now in hand to enable work to commence almost immediately on both these projects.

The year will always be notable in the history of the Hospital by reason of the gifts received from the anonymous donor, which rank amongst the most generous ever made to any voluntary hospital in this country. It is not possible for the Board of Management adequately to express their thanks to this donor for the help given to enable the Hospital to extend to meet the ever growing demand for its services. It was the earnest wish of the donor that his gifts should be given in such a manner as would enable the Hospital to derive the greatest possible benefit from them. His first gift of £25,000, announced in the last Annual Report, was an unconditional one, but shortly afterwards the donor offered a further sum of £15,000, provided a similar amount was received by the Hospital at an early date. In an endeavour to comply with this condition the Appeal Committee, under the active and inspiring Chairmanship of

General Sir Hubert Gough, G.C.M.G., K.C.B., K.C.V.O., decided to organise a Festival Dinner. H.R.H. The Duchess of York most graciously intimated her wish, as President of the Hospital, personally to do all that was possible to ensure its success, and on Thursday, 19th April, Her Royal Highness held an informal reception at the Hospital of those interested as helpers and stewards, in the organisation of the Dinner and the Appeal. After chatting with every one of some 60 guests, Her Royal Highness took tea and subsequently paid a visit to the maternity and children's wards. There can be no doubt that the reception was an unqualified success and did much towards enlisting active help, and the Board of Management tender to Her Royal Highness, their President, their respectful and most grateful thanks.

As the date of the Dinner approached it became clear that the sum of £15,000 necessary to comply with the conditions of the original gift by the anonymous donor would be exceeded, whereupon, as an incentive to further effort, the anonymous donor most generously undertook to double all money received in connection with the Dinner up to a total of £25,000. H.R.H. The Duke of York took the Chair at the Festival Dinner, which was held at Grosvenor House, W. 1, on Thursday, 3rd May. There was a distinguished gathering and some 730 guests were present. Following the speeches there was dancing and an excellent cabaret entertainment, kindly arranged by Mr. Peter Burnup and Mr. John Southern, when many well-known artistes very generously gave their services. The gross total received as the result of the Festival Dinner was £22,000, which when doubled, in consequence of the munificent offer of the anonymous donor, resulted in a sum of £44,000 being received for the Extension Appeal Fund.

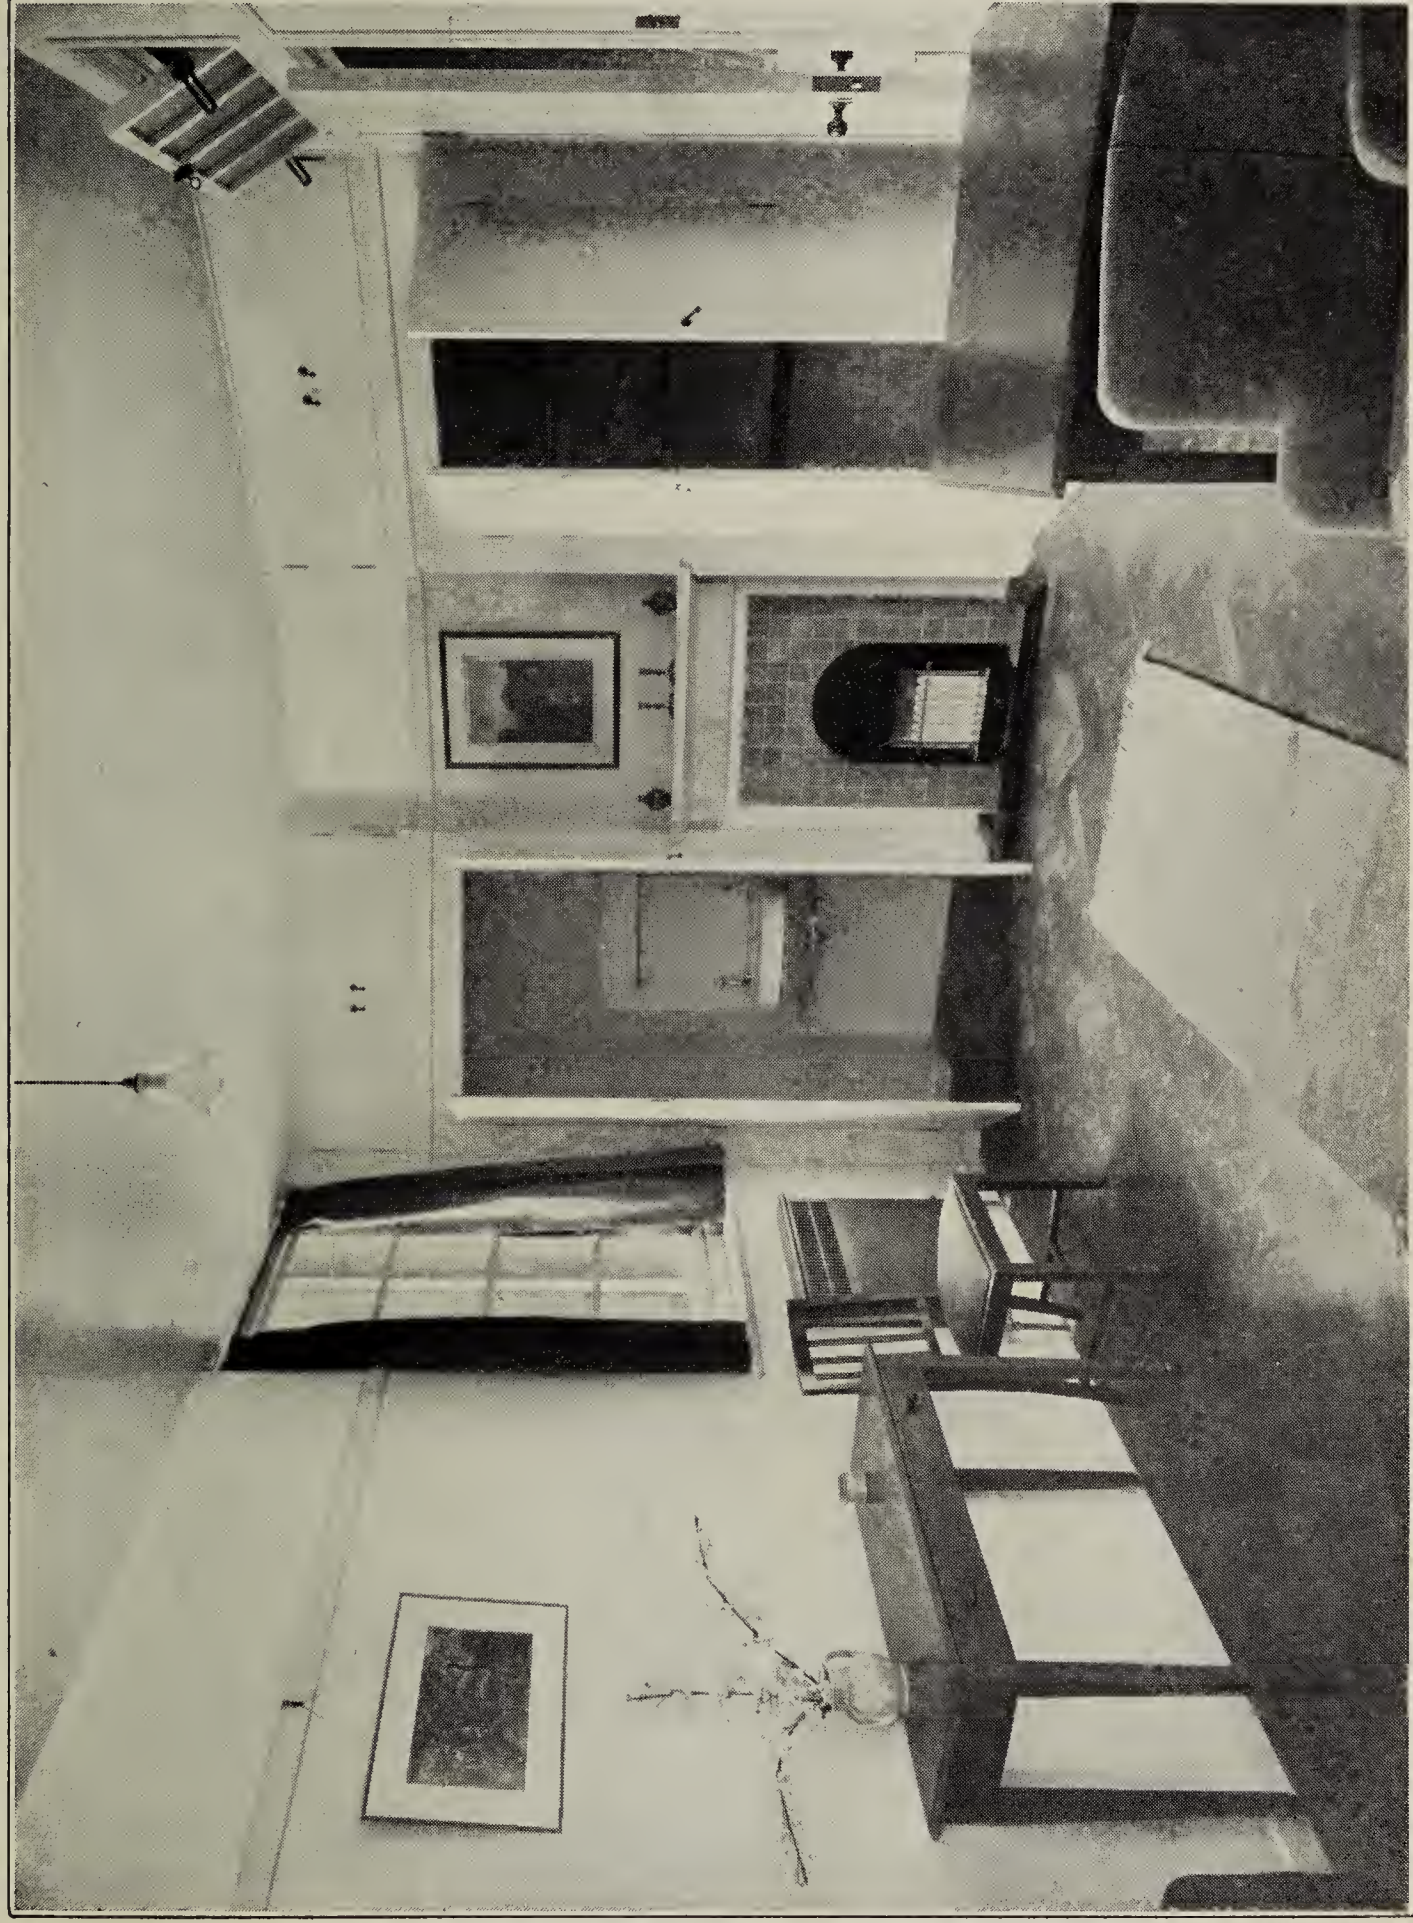

The Board regret they are not able in this Report to thank individually all those who contributed to this great success, but special mention, it is felt, must be made of the gift of £5,000 received through the kindness of Mr. Anthony de Rothschild from the Executors under the will of the late

Mr. Alfred de Rothschild (a former Treasurer of St. Mary's Hospital), of £2,000 for the new Nurses' Home from King Edward's Hospital Fund for London, of £1,000 from Sir Percy Shepherd from the estate of the late Mr. William Shepherd and of the personal gifts of £1,000 each received from Mrs. Wharrie—ever a most generous friend of the Hospital—Mr. Guy Harben, and Mr. Anthony de Rothschild. Various firms presented most valuable prizes for the successful raffle held after the Dinner, including the Ford Motor Company, through whose Chairman, Sir Percival Perry, K.B.E., a saloon motor car was given as first prize, whilst Messrs. Spiers & Pond generously signalled their long and happy association with the Hospital by making a present of an umbrella to every lady guest, and Messrs. Parke Davis & Co. made a gift of medicine bottles each containing an indelible pencil and blank cheque, which were distributed amongst the guests during the Dinner by members of the Nursing Staff. Especial thanks are due to General Sir Hubert Gough, Chairman of the Festival Dinner Committee. Sir Hubert not only attended the Hospital almost daily for the whole of the three months allowed for the organisation of the Dinner, but himself wrote and sent innumerable letters productive of a splendid total. No Chairman could have done more to ensure the success of the function for which he was responsible. The detailed arrangements for the Dinner were efficiently organised by Major R. M. Lloyd, M.C.

The immediate result of the Dinner appeal made clear to the Board that they were now in a position to commence work on the building of the first section of the Nurses' Home, for which Sir Edwin Cooper, A.R.A., F.R.I.B.A., had prepared preliminary plans. The remaining houses on the site were cleared of tenants and the premises demolished. The total estimated cost, including furniture and equipment, of the first section of the Nurses' Home, to accommodate some 210 nurses and maids, is £74,000. The Contract for the builders' work has been entrusted to Messrs. John Mowlem & Co., and actual work on the erection of the Home commenced in February, 1935. Most careful consideration has been given by the Board to ensure, compatible with strict economy,

the comfort of the Nursing Staff. Sisters are to be provided with bed-sitting-rooms, each having a superficial area of 200 sq. ft. Each nurse will have a separate bedroom, with a floor area of 100 sq. ft. Built-in furniture has been provided wherever possible, and photographs of the specimen rooms are included in this report. Provision has also been made for Common Rooms, although each nurse has been provided with what is in effect a "study bedroom," *i.e.*, a room provided with a radiator which can be turned on or off at will, where the nurse may study if she so desires. The general Common Rooms have been arranged on one floor so that when required the partitions can be folded, thus providing one large hall for special meetings, &c.

Provision having been made for the Nursing Staff, the anonymous donor continued his wonderful series of gifts by one which has made possible the erection of a separate Pay Bed Block. The original intention was that a Pay Bed Block should be constituted on the first floor of the existing Nurses' Home. There were obvious difficulties in such an arrangement. The anonymous donor, with characteristic generosity, made a further offer of £30,000 provided the Pay Bed Block was erected as a separate building on a portion of the old Medical School site. The Board of Management were most happy to accept the condition thus imposed, for not only did it enable a special block to be built for patients of moderate means but it also made possible the consideration of proposals for the general development of the old Medical School site, which is so important to the future of the Hospital. As in all his gifts, the anonymous donor has endeavoured to secure as much additional help for the Hospital as possible from outside sources, and he therefore again offered a further £15,000 if a similar sum could be secured. It has not been possible fully to comply with this condition, but the anonymous donor has in fact given to the Hospital during the year a sum of £95,000 for the Extension Appeal Fund—a truly magnificent contribution—and in order to bring his gift up to a total of £100,000 he has promised a further donation of £5,000 if the Hospital can secure five other donors of a similar amount.

New Nurses' Home—Sister's Bed-Sitting Room.
(Architect: Sir Edwin Cooper, A.R.A.)

It is the earnest wish of the anonymous donor that work should be commenced on the Pay Bed Block, which will accommodate some 50 beds, at the earliest possible date. Sir Edwin Cooper, A.R.A., F.R.I.B.A., has been actively engaged on the necessary plans, and there is every reason to hope that actual building operations will start early in 1935. The contingent gifts made by the anonymous donor have naturally led to a period of great activity. Every section and friend of the Hospital has helped, and not the least worthy of the gifts received is that of a sum of well over £500 which the Matron and the Nursing Staff raised by their own efforts as a contribution towards the appeal—apart from the valuable help they afforded in all the special efforts made during the year.

Once again the Golf Ball, under the most able Chairmanship of Mr. G. D. Hannay, contributed a substantial quota to the appeal. The Ball has become one of the most successful charity functions in London, and since its inception in 1931 has contributed a sum of approximately £3,000. To the students of the Medical School and Massage Department, the Nursing Staff, and all those who helped on Flag Day, on May 2nd, when a sum of £888 was obtained, the Board of Management are most grateful.

A Ladies' Committee, under the Chairmanship of Lady Willcox, organised an Ice Carnival which was held, by kind permission of Mr. A. O. Edwards, at the Queen's Ice Skating Club on 16th January, from which a sum of £264 was received for the Extension Appeal Fund.

The offer of the anonymous donor to double all sums received during the year evoked a most generous response from the Trustees of the Bernhard Baron Trust who in December made, through Mr. H. W. Danbury, a gift of £3,000 towards the cost of building the Nurses' Home. As a mark of appreciation of this gift and of all the numerous gifts made by Mr. Bernhard Baron to the Hospital during his lifetime and later by the Trustees under his will, the Board

of Management have directed that a ward shall be designated in grateful memory the "Bernhard Baron Ward."

Since 1927, 100 additional beds have been added and the number of in-patients treated during the current year is the largest since the foundation of the Hospital. The additional annual burden thus placed upon the resources of the Hospital is an extremely heavy one, for, although patients are required to make a contribution towards the cost of their maintenance, it has always been the policy of the Board of Management to avoid as far as possible any financial hardship by reason of a patient's stay in Hospital. Admission is entirely free to persons who, after enquiry, are found to be too poor to make any contribution.

During the year, under an arrangement with the London County Council, two wards, one for male cases and one for female cases, each having four beds, were allocated for the use of patients attending the Venereal Diseases Department in need of in-patient treatment.

Grateful mention is made of the services rendered to patients by the London Blood Transfusion Service, whose ready help in so many serious and urgent cases has proved invaluable.

FINANCE.

Income.

The year has been a disastrous one from the point of view of normal income and indicates how precarious the Hospital's financial position must always be so long as legacies form such a substantial factor in its budget. In 1933, £14,871 was received from legacies, but in 1934 this figure dropped to £6,496, and the decline under this particular heading exceeds the deficit on the year's working which is £7,624.

The following figures show the comparison of the income of the Hospital for the years 1933 and 1934 :—

	1933.	1934.
	£	£
Ordinary Income	62,436	65,304
Extraordinary Income (<i>i.e.</i> , Legacies)	14,871	6,496
	<hr/>	<hr/>
Total Income	<u>£77,307</u>	<u>£71,800</u>

Some reduction in income might reasonably have been anticipated in view of the intensive efforts made during the year for the Extension Fund, but the Board of Management earnestly appeal for additional annual subscriptions so that the work of the Hospital may rest on more secure financial foundations.

It is gratifying to note that annual subscriptions increased from £4,449 in 1933, to £4,968 in 1934, but the Board feel that this sum is totally inadequate, bearing in mind the need of the Institution. Grateful mention must be made of two new annual subscriptions which have been received, £100 (free of tax) from Mr. A. O. Edwards and £63 from Mrs. Granville Alexander. An increasing number of subscribers now take advantage of the arrangement whereby, without any extra expense to themselves, they increase substantially the amount of their subscriptions to the Hospital by completing a form of agreement to contribute for seven

years or during life, which ever shall be the shorter period. By this means the amount of each year's subscription can be deducted by the subscriber from the gross amount of the income tax return. Full particulars will gladly be forwarded upon application to the House Governor.

Valuable help can be afforded to the work of the Hospital by the endowment of a bed or cot, thus securing that permanent income which is so important a factor in stabilising the Hospital's financial position. Most grateful acknowledgment is therefore made of the gifts which have been received during the year of £1,000 from Mr. Vernon E. Ravenscroft for the endowment of a bed in memory of his brother; £500 from Sir Henry Harris for the endowment in the Lewis Carroll Memorial Ward of the "Lady Harris Cot"; and £500 from Mrs. Eadie for the endowment of the "Eric MacGregor Eadie Cot" in memory of her son, formerly a medical student, and whose untimely death was so deeply regretted by all his fellows.

No report of the Hospital's benefactions would be complete without mention being made of the munificent gift of the greater part of the bacon and ham used in the Hospital which has been received for so many years past from Mr. J. D. Marsden, one of the Vice-Presidents.

Mention must also be made of the annual events held through the great kindness of friends of the Hospital, which so greatly assist the work of the Institution. For the third year in succession, Mrs. Frank Hill organised a most successful Ball at the Wharncliffe Rooms, the proceeds of which amounted to £132, whilst Lady Handover, with the help of a Committee of ladies, generously undertook the arrangements for the Annual Matinée at the Metropolitan Theatre, which took place (by kind permission of Mr. Walter Payne and Mr. W. W. Matthew) on Thursday, 18th October, resulting in a sum of £220. The Directors of Wembley Stadium, through the kindness of Mr. A. J. Elvin, the Managing Director, organised a special Charity Matinée on Friday, 7th

September, at Wembley Stadium, with the result that St. Mary's received a sum of £308. The following contributions received during the year, apart from those already mentioned, merit special and most grateful acknowledgment :

The Board would also wish to take this opportunity to record their indebtedness to the Hospital Saving Association and the Hospital Saturday Fund for the grants of £8,163 and £1,514 respectively, which have been received in respect of the maintenance of their contributors who received

treatment at the Hospital during the year. Grants up to the maximum permitted to the Hospital under the regulations made by the London County Council have been received from Cinema Proprietors out of the proceeds of the Sunday opening of Cinemas. The thanks of the Board of Management are also due to those Cinema Proprietors who, by their readiness to nominate the Hospital to receive contributions from Sunday Openings, have given very material assistance.

Expenditure.

The following table shows the expenditure, classified under the main items, for the years 1933 and 1934 :—

	1933.	1934.
	£	£
Provisions	9,139	9,755
Surgery and Dispensary	11,994	12,678

Finance	4,878	4,561

	£76,253	£79,424
	<hr/>	<hr/>

In comparison with the preceding year some 300 additional in-patients and over 1,000 additional out-patients were treated, whilst the number of attendances recorded in the Out-Patient and Casualty Departments rose by over 50,000. It is therefore inevitable that this great increase in the work should be reflected in a corresponding increase in expenditure. The figure for the current year is again the highest in the history of the Institution, in spite of the constant and unremitting vigilance exercised by both the Board of Management and the House and Finance Committee to ensure that expenditure be reduced to the minimum compatible with efficiency.

Steps were taken during the year, in consultation with the Honorary Medical Staff, to revise the diet scale, mainly with a view to obtaining, where possible, a greater variety in the meals provided. The allowance of butter per patient was increased, a light supper provided for patients on the full and middle diet scale, whilst special provision was made for children. This has led to the increase of expenditure under the heading of "Provisions." It was decided, during the rebuilding of the Medical School and Pathological Institute, to instal one central heating installation with oil fuel which it was hoped would meet the heating requirements of the new buildings and the possible future requirements of the Hospital, and in this way to avoid duplication of plant and labour in the future. Comparative figures at that time of the prices of oil and coal indicated that eventually such a scheme would provide a great economy to the Institution as a whole, but the tax upon fuel oil, amounting to approximately £1 per ton, introduced in the 1933 budget, has rudely upset these calculations. A sum of over £1,300 was paid by the Hospital in respect of this tax for 1934, and proposals are now under consideration for reversion to coal fuel, especially as there appears no immediate likelihood of the Hospital's securing exemption from the tax, judging by the reply made by the Chancellor of the Exchequer to the deputation from the British Hospitals Association on this matter.

Recent legislation has fallen heavily upon hospitals, not only in respect of the tax on oil fuel, but also in the increased price paid for milk under the arrangements set up by the Milk Marketing Board.

Most valuable assistance has been given by the Winter Distress League, enabling urgent work on decoration to be completed, which otherwise would have been postponed owing to lack of funds. The Winter Distress League is an admirable organisation which places at the disposal of the Hospital a certain number of unemployed skilled and unskilled workers at a purely nominal rate of pay—the difference between the amount paid by the Hospital and the

Trade Union rate being borne out of the funds raised by the Winter Distress League by voluntary subscriptions and gifts.

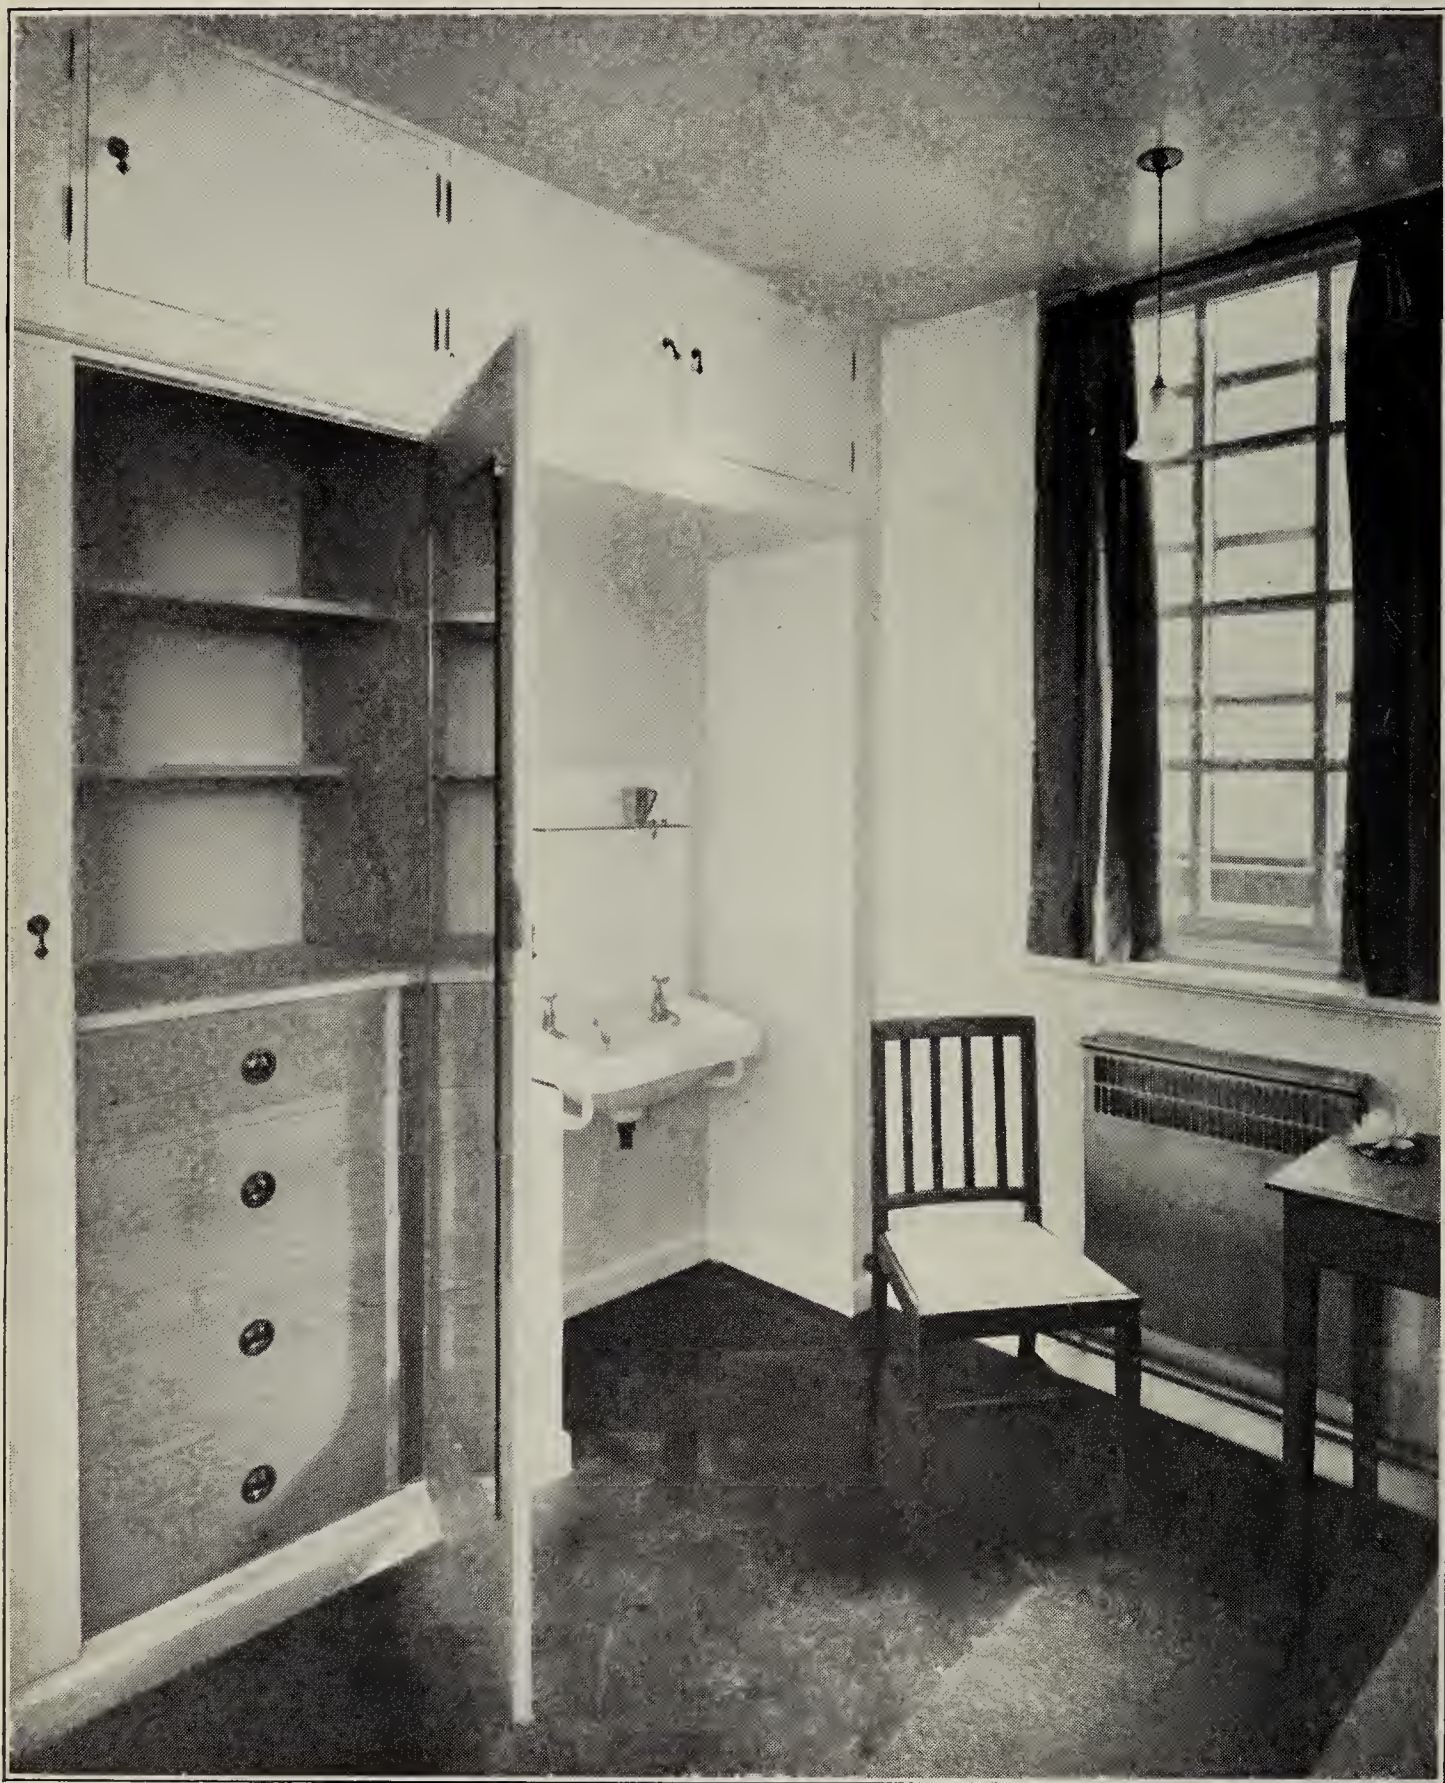

It is a great pleasure to report once again that the position of St. Mary's in the matter of economy, as shown by the Statistical Returns of King Edward's Hospital Fund for London, continues to be very satisfactory ; the last published returns of the Fund show the average statistical cost per occupied bed in the Teaching Hospitals to be £200·4, and that of St. Mary's to be £162·8.

LEWIS CARROLL MEMORIAL WARD FOR CHILDREN.

The Board of Management are happy to report the decision that " Lewis Loyd " Ward be utilised as the site for the Lewis Carroll Memorial Ward for Children. It had long been thought the most suitable site for such a purpose in the Hospital, but great difficulty was experienced in securing equivalent and suitable accommodation for the adult surgical cases at present being treated in " Lewis Loyd " Ward. The erection of the first section of the Nurses' Home will enable accommodation now used as Maids' Quarters in the Mary Stafford Wing, to be converted into a Surgical Ward, thus freeing " Lewis Loyd." No active appeal has been undertaken in connection with the Lewis Carroll Memorial Fund during the year, but as soon as work on the Nurses' Home is completed, steps will be taken to establish what is hoped will be an ideal ward for children in the Hospital in fulfilment of the original proposals. The amount received in response to the original appeal for £10,000 for the endowment, decoration and equipment of the Lewis Carroll Memorial Ward is now approximately a little over £3,000. The sudden death, in August, of Professor B. J. Collingwood, a nephew of Lewis Carroll, is deeply deplored. Professor Collingwood was responsible for the inauguration of the Appeal, and up to the day of his death took a most active interest in its progress.

ELECTRO-THERAPEUTIC AND MASSAGE DEPARTMENTS.

The accommodation for the Electro-Therapeutic Department had long been totally inadequate, and the arrangements

New Nurses' Home—Nurse's Bedroom.

(Architect : Sir Edwin Cooper, A.R.A.)

for the reception of patients most unsatisfactory. An opportunity was taken during the year, with the approval of King Edward's Hospital Fund for London, to adapt a portion of the ground floor of the old Medical School buildings for the use of the Electro-Therapeutic and Massage Departments. In addition, a covered way was built from the Out-Patients Waiting Hall to these buildings, providing ready access for both in and out-patients requiring treatment in the Electro-Therapeutic and Massage Departments. These arrangements, and the improved accommodation now provided, have proved a great benefit both to the patients and the Staff. The cost of the covered way and the necessary structural alterations and heating arrangements was approximately £3,000.

REPORT OF THE NURSING STAFF.

During the year 57 probationers entered the Preliminary Training School. The Midwifery Scholarship granted by the Board of Management was awarded to 16 fourth-year nurses, all of whom subsequently gained the certificate of the Central Midwives Board. Miss Chapman was awarded the Silver Medal as the most proficient nurse of her year.

In May, greatly to the regret of everyone at the Hospital, Miss Fooks, who for 33 years had served as a member of the Nursing Staff—30 years as Sister in charge of Albert and Cambridge Wards—resigned. The Board of Management desire to place on record their deep sense of loss of one who was in all things such an example of a devoted Sister. She had a strong sense of vocation and duty, as well as great skill, which made it a great privilege to be trained in her wards. A pension was granted to Miss Fooks on her retirement together with a cheque subscribed personally by members of the Board of Management. In addition, a number of those members of the Honorary Staff who had been closely associated with Albert and Cambridge Wards met at a gathering in the Board Room in July, when Miss Fooks received a token of their affection and esteem. Dr. Sidney Phillips, Consulting Physician to the Hospital, spoke in

moving terms of her devotion and skill, and the Board take this opportunity to wish Miss Fooks many years of great happiness during her retirement.

The League of St. Mary's Nurses held a Summer and a Winter Meeting, when members were given an opportunity to see the completed new Medical School and Research Departments. Between March and September, the Nursing Staff made a great effort to raise a sum of money for the new Nurses' Home, and by means chiefly of small sales a sum of £562 was raised. In September the Vicar and Churchwardens of St. James' Church kindly lent the Church Hall for a Sale of Work. It was opened on the first day by Mrs. Guy Harben, supported by General Sir Hubert Gough, and on the second day by Lady Willcox, supported by the Reverend Percy Gordon.

It is a pleasure to report that in the London Hospitals Annual Swimming Gala the Nursing Staff rose from ninth place in 1933, to third place in 1934. This is due mainly to the facilities granted for the use of the Medical School swimming bath to members of the Nursing Staff. Unfortunately very few facilities exist for tennis in the neighbourhood of the Hospital, and it is hoped that in the near future some arrangements may be made for a tennis court to be placed at the disposal of the Nursing Staff.

MEDICAL SCHOOL.

The entry of full-course students for the Academic Year 1933-34 was 96, showing a further increase upon all previous years. For the Calendar Year, 1934, 99 full-course students entered, of whom two-thirds were working for University Degrees.

During the year 1933-34, 338 full-course students worked in the Medical School and Hospital, and 63 attended for part courses.

During 1934, 26 students obtained the Diplomas of the Conjoint Board, and 19 obtained other qualifying Diplomas. Of the Higher Diplomas two obtained the F.R.C.S. and one the D.P.H.

In the University of London five obtained the Degrees of M.B., B.S. and three obtained the Degree of M.D., Dr. C. G. Barnes gaining the University Medal. At the Universities of Oxford and Cambridge nine degrees were obtained.

The Athletic Clubs had a most successful season. In Rugby Football the Senior Team won the Inter-Hospital Cup, last held by them in 1900, the "A" Team also won the Cup offered for the Junior Competition.

In Cricket, both the Senior and "A" Teams won the Inter-Hospital Cups.

The Rifle Club won the Hospital Shooting Cup at Bisley, and were second in the competition for the Armitage Challenge Cup.

In Boxing, St. Mary's took the second place in the United Hospitals Competition, by winning the contests for Light Heavy Weight and Middle Weight.

The new Swimming Bath continues to prove a great attraction, and two Water Polo Teams have played regularly.

The usual Post-Graduate Course was held at the beginning of October, and was again very largely attended.

The Annual Dinner was held, for the first time, in the Library of the Medical School on Saturday, 29th September, 1934.

INOCULATION DEPARTMENT.

In March, 1933, the Department moved into its new buildings on the site adjoining the Hospital. The transfer was hastened as the old laboratories in the Clarence Wing were required for the accommodation of maternity patients.

The opening of the Out-Patients' Department in the basement of the new building has been most advantageous, both for the patients and the Medical Staff. It has always been the policy of the Department to reduce the "waiting time" of the patients to a minimum, and the provision of adequate consulting and waiting rooms has been of great help.

The number of out-patients attending the Department still continues to increase, as shown by the following figures :—

				Number of out-patient attendances.
1931	11,903
1932	12,654
1933	13,386
1934	15,903

The great increase in the number of out-patient attendances during the past years is mainly accounted for by the rapid growth of the Asthma, and Hay Fever Clinics. Patients come to this department from practitioners in all parts of London and its suburbs and frequently from many parts of the country. Often as many as 150 patients attend at one session—and the average attendance at each session during the year is approximately 115.

The other clinics, which embrace the treatment of practically all bacterial diseases, i.e., acne, furunculosis, chronic tuberculosis, rheumatism, arthritis, recurrent colds, bronchitis, intestinal toxæmia, have all recorded increased attendances.

The Inoculation Department has for the past few years also held a clinic for the treatment of Diphtheria Carriers. The London County Council, at whose instigation the Department was inaugurated, send the majority of the cases, and thanks are due to the Council for an annual grant in aid of the expenses of the department.

Active research on the many problems connected with bacteriology and vaccine therapy continues to be carried out by Sir Almroth Wright and his colleagues, as is evidenced by the various contributions made to the scientific literature on the subject.

In addition to research work, the Department carries out all the bacteriological work for the Hospital and all the bacteriological teaching for the Medical School. A substantial annual grant is also made to the Pathological Institute for the encouragement of research in all branches of Pathology, and for a series of lectures each year by distinguished medical scientists from home and abroad. Further, vaccines and antigens of many kinds are prepared, which are subsequently distributed throughout the world for the use of medical practitioners. This last activity is a very important one for the Department, in that it furnishes the only source of revenue apart from donations.

Owing to lack of funds, it has not been possible to complete the interior of the whole of the new Inoculation Department building. Since the last report a generous gift by an anonymous donor has enabled the lecture theatre to be completed, but the greater portion of the third floor, together with part of the ground and fourth floors, still remains unfinished. With the growth of the activities of the Department it has been found that the laboratories which have been completed do not yet provide sufficient accommodation, and it would be a great help to the Department if the necessary sum of £2,000 could be secured to complete the laboratories on the third floor.

THE BOARD OF MANAGEMENT.

The Annual Election of the Board of Management took place as usual at the Quarterly Board of Governors in June. The following Ordinary Members, retiring by rotation and being eligible, were re-elected :—

Mr. H. B. Bompas.
 Mr. J. Gibson Jarvie.
 Mr. H. R. Miller.
 Mrs. Thurburn.
 Mr. F. R. Williams-Wynn, C.B.

Lady Galway was appointed in January, 1934, to fill a vacancy on the Board of Management, and at a meeting of the Quarterly Board in March, made special for the purpose, Mrs. H. A. Harben was elected a Vice-President in appreciation of her long and generous services to the Hospital.

The following members of the Honorary Medical and Surgical Staff were elected as Medical Members :—

Mr. C. W. Gordon Bryan, M.C.
 Dr. J. Freeman.
 Dr. A. Hope Gosse.
 Dr. A. W. Matthew.
 Dr. G. Harrison Orton.
 Sir William Willcox, K.C.I.E., C.B., C.M.G.
 Mr. Leslie Williams.
 Dr. C. M. Wilson, M.C.

At the first meeting of the Board after the Annual Election, Lt.-Col. H. E. Verey, D.S.O., was reappointed Chairman, and Mr. G. P. Harben, O.B.E., Deputy-Chairman. At the first meeting of the House and Finance Committee after the Annual Election, Mr. R. M. Greenwood, C.B.E., was reappointed Chairman of that Committee.

CHANGES IN THE HONORARY MEDICAL AND SURGICAL STAFF.

The changes in the Honorary Medical and Surgical Staff during the year have been exceptionally numerous, and the

Hospital has lost the services of four members whose work in their various branches of medicine have made the name of St. Mary's famous throughout the world—Sir Ernest Graham-Little, Mr. T. G. Stevens, Dr. Wilfred Harris and Sir William Willcox. All these have been elected to the Consulting Staff, and the Board of Management desire to take this opportunity to record their deep appreciation of the services these gentlemen have rendered to the Hospital and Medical School over a great number of years. Consequent upon these retirements, Mr. Aleck W. Bourne, F.R.C.S., has been appointed Obstetric Surgeon to in-patients, Dr. C. M. Wilson (M.C.), M.D., B.S., F.R.C.P., Physician to in-patients ; Mr. Leslie Williams, M.D., M.S., F.R.C.S., First Obstetric Surgeon to out-patients ; Dr. G. B. Mitchell Heggs, M.D., M.R.C.P., Physician in charge of the Department of Diseases of the Skin ; Mr. W. C. W. Nixon, M.D., F.R.C.S., Second Obstetric Surgeon to out-patients, whilst Dr. McElligott, M.A., M.R.C.S., L.R.C.P., and Dr. A. B. Porteous, M.D., B.S., D.P.H., have been appointed additional members of the Honorary Medical Staff in virtue of their appointments as Director of the Department for Venereal Diseases, and Medical Officer in charge of the Tuberculosis Dispensary, respectively.

The death of Professor B. J. Collingwood, Professor of Physiology in the Medical School and Director of the Department of Experimental Pathology in the Institute of Pathology and Therapeutic Research, is referred to elsewhere in this report.

ALMONER'S DEPARTMENT.

The Board of Management deeply regret to record the death of Miss E. A. B. Wilson, who was the first Almoner appointed to the Hospital and who rendered devoted service for over 20 years, until her retirement owing to ill-health in 1928.

There have been important and vital changes both in the staffing and work of the Almoner's Department during 1934. A much needed increase in staff occurred in the early months of the year by the appointment of a part-time

Almoner in the Out-patient Office. In April the appointment of a full-time Almoner in the V.D. Department supplied a most urgent need for social service among a particularly difficult class of patient.

Changes were also made early in the year in the duties of the In-Patient Almoner, who ceased to do the assessment of in-patients' payments, and was thus able to increase the scope of her social work.

In-Patients.

During the year a total number of 1.273 patients have required assistance in various ways, this figure is almost double the number of in-patients assisted in 1933, and very greatly in advance of any figures for previous years.

Instruments.

Two hundred and nine patients have been provided with various types of instruments, payments for which have been raised mainly through patients' own contributions and grants from Insurance Societies, the Hospital Saving Association and the Hospital Saturday Fund. The remainder of the cost, amounting approximately to one-fifth of the total expenditure has been met from the Dresden Assistance Fund.

Convalescence.

There is a slight increase in the number of patients who have benefited by convalescence, showing a total of 463 in 1934, as against 436 in 1933.

Parkwood Convalescent Home	132

				<hr/>
				463
				<hr/>

Since March, 1933, the authorities of Parkwood Convalescent Home have required full payment to be made for two-thirds of the patients sent. During 1934 a total sum of £270 13s. was paid to Parkwood ; of this amount £224 6s. 6d. was paid by the Dresden Assistance Fund. Nine patients were sent for convalescence from the Paddington Borough Maternity Wards.

Other Types of Assistance.

I. Patients requiring Assistance and Advice.

Into this category come such matters as assisting patients to obtain extra nourishment after discharge from hospital ; arrangements for long journeys, payment of railway fares ; advising and making arrangements for the unmarried girl both before and after confinement ; arranging financial help for a family while the wage-earner is in hospital. Sixty-seven patients have been helped in these and other ways.

II. Patients Needing Accommodation.

It is not infrequently necessary to arrange for the care of young children while the mother is in hospital. A more difficult class of patients are the poor, elderly and infirm gentlefolk who need permanent accommodation where care and attention can be given on discharge from Hospital. There is also the "down and out," who can get back to work if he can be accommodated for the first few days after discharge. Twenty-one patients have been referred for help.

III. Patients referred to and from other Societies.

One of the main uses of an Almoner is to act as a connecting link between the patient and the outside Society best fitted to give help. In return for services rendered to the Hospital, other Societies are glad to obtain medical advice for the people they are trying to help. When such patients are admitted, enquiries as to their progress must be made and suitable reports prepared.

Out-Patient Department.

The appointment of another Assistant to work three half-days a week in the General Out-Patient Department has proved a great help.

In 1933 assistance of various kinds was arranged for 1,680 patients. In the past year the number assisted increased to 2,227. Payment was raised for the supply of 954 instruments—an increase of 242 on the previous year. A large proportion of the total spent was provided by the patients themselves, but Approved Societies, Contributory Funds and Charitable Sources were approached wherever possible and their comparative contributions are shown by the following statistics :—

			£	s.	d.
Patients payments	759	6	6
Contributory Funds	112	9	9
Approved Societies	184	6	4
Charitable Societies	370	17	10
			<hr/>		
			£1,427	0	5
			<hr/>		

This shows an increased expenditure of £455 over 1933, and constitutes a record.

The greater part of the increased case work during the year is accounted for by the arrangements made for general assistance of all kinds. In most cases patients have been visited at home, where it is so much easier to discuss difficulties and to discover how assistance can be arranged. Sometimes the report from the Society undertaking such a visit is helpful not only to the Almoner but also to the Medical Staff, whose co-operation and advice is greatly appreciated.

General.

A further increase in the work of the Almoner is due to the kindness and interest of the Ladies' Committee who

have generously undertaken to create a small fund which can be used for those out-patients who are not entitled to assistance from other sources, many of whom come from districts outside the range of the usual Charitable Societies.

An attempt has been made to increase the maternity work of the Hospital, particularly with regard to district cases. Various changes in the medical service have proved an attraction, and as a result the number of patients who arranged for their confinements by the Hospital shows an increase of 66 on the previous year's total.

The Paddington Borough Maternity Ward was opened in April, 1933, and during the last nine months of that year 133 patients were admitted. During 1934 there have been 248 confinements, and as some patients have been in hospital for two or more times for treatment, the total number of admissions for the year was 263. Three hundred and twenty-five applications for admission to the Borough Ward were received, which shows an increase of 73 over 1933.

The Department for Venereal Diseases.

The Almoner's Department in the V.D. Clinic was opened as from 1st April, 1934, and the work of the first nine months has been to lay the foundation of its social service. The Almoner's task in a V.D. Clinic differs greatly from that in a general Out-Patient Department, one of the chief duties being to encourage attendance. The case of absentees is met by sending in the first instance a printed circular, and then, if necessary, a personal note, followed wherever practicable by a visit urging the defaulter to attend. That this has produced good results is seen by the satisfactory increase in figures from 1,789 in March to 2,125 in December, the last three months of the year showing a weekly average of 597 against 479 for the period April-June.

Of 26 patients for whom plans have been made for confinement, only eight were considered suitable for admission to the Maternity Wards of this Hospital. Of the remaining 18, 11 required special treatment and were admitted to the

Special Wards of St. Thomas's and the Royal Free Hospitals, to Medical Hostels and to Sheffield Street Hospital. While arrangements were made for three single girls in non-medical Maternity Homes.

Fourteen children of 1-3 were sent to St. Margaret's Hospital, Kentish Town; eight little girls of 4-10 to the Medical Home at Waddon, one to Whiteoaks, Swanley, while six girls were admitted to special hostels.

The numerous activities include assistance given with the provision of clothes and procuring employment in numerous cases, lessons in Braille and handicraft for a girl nearly blind, obtaining a flat on a new housing estate, placing of destitute girls in non-medical hostels during unemployment, extra nourishment and the raising of fares in necessitous cases.

LADIES' ASSOCIATION.

During the year £401 was expended on the purchase of blankets, sheets, pillow cases, towels, clothes, &c., and a further amount of £167 for linen for the new Maternity Wards, whilst £123 was spent on wool and flannel for the making of garments for patients.

A Committee of ladies undertook the organisation for "Pound Day," which was held on Wednesday, 21st March. Over £283 was received in cash and some $3\frac{1}{4}$ tons of goods in kind. General contributions were received from the children in the schools in the neighbourhood of the Hospital. Members of the Association helped on the occasion of "Flag Day" and in addition took charge of the "Alexandra Day" Depot at the Hospital.

The Association deeply regret the death of Mrs. Cole who for so many years acted as Work Party Secretary. It is a pleasure to report that Mrs. Campbell has now kindly undertaken these duties.

New Nurses' Home—Nurse's Bedroom.
(Architect : Sir Edwin Cooper, A.R.A.)

The Executive Committee of the Ladies' Association appeal very earnestly to all ladies interested in the Hospital to support them in their work by joining the Association as members or Vice-Presidents. Vice-Presidents undertake to subscribe not less than 10s. yearly in addition to enrolling at least four members, collecting their subscriptions and giving them cut-out garments or knitting wool obtained from the Hospital. Members undertake to subscribe to the Association and to make two or more garments to be obtained from their Branch President or Vice-President. Work Parties are held on alternate Tuesday afternoons during the Winter at members' houses, and by this means many garments are made.

Mrs. Maynard-Smith and Mrs. Cope, the Honorary Work Secretaries, are at the Hospital every Wednesday morning from 11 to 12 during the months from October to March. Mrs. Askew, Honorary Secretary, 54, Ladbroke Grove, London, W., will gladly give any information respecting the work of the Association.

REPORT OF THE CHAPLAIN.

The Chapel services throughout the year have been much appreciated by the Staff and those patients well enough to attend. The offerings contributed have enabled the Chaplain to meet the necessary expenses of the Chapel services, and contributions have also been sent to the C.M.S. Hospital at Quetta, the London City Mission, and to the fund for rebuilding the Nurses' Home.

Mr. Slade, of the London City Mission, has continued to visit the wards and to assist with the ward services on Sunday afternoons, whilst most valuable assistance has been given by the Rev. C. L. Cresswell, M.A., the Honorary Chaplain. Grateful thanks are also due to the Matron, Sisters and Nursing Staff and all who have been responsible for the arrangement of the flowers in the Chapel and for the general preparations for the services held there.

The visit of the choirs, under the direction of Mr. Walker and Mr. George, respectively, to the wards have been much appreciated by patients unable to attend the Chapel services.

**THANKS TO THE HONORARY MEDICAL AND SURGICAL
STAFF.**

The Board conclude their Report with an expression of their sincere thanks to the members of the Honorary Medical and Surgical Staff for their constant attention and kindness to the patients and for their valuable services to the Hospital throughout the year.

Signed on behalf of the Board of Management,

HENRY E. VEREY,

28th February, 1935.

THIRTIETH ANNUAL REPORT.

The Dresden Trustees have the honour to present their report for the twelve months ending 30th September, 1934, together with the accounts for the same period.

The objects to which the Trustees have continued to devote the funds at their disposal, and the number of Patients benefited under each head, are :—

1.	Patients sent to Convalescent Homes (including 132 sent to Parkwood)	329
2.	„ given pecuniary assistance on discharge	5
3.	„ assisted with clothing on discharge ...	—
4.	„ provided with Surgical and Optical appliances on discharge	108
5.	„ assisted with fares to and from Con- valescent Homes	291
6.	„ assisted with fares to their own homes on discharge from the Hospital ...	137

Great care has been taken to ascertain that Patients are really needy and deserving before assisting them, particularly in Class 2. Thorough enquiry into their financial circumstances has been made in each case.

During the year the Trustees of the Hospital Convalescent Home Parkwood, Swanley, Kent, have placed 13 beds at the disposal of the Hospital. The Trustees of the Dresden Fund, as a result, have been enabled to send 132 Patients to this Home for a period of 19 days or more, and the Trustees gladly take this opportunity to record their grateful thanks to the authorities of the Hospital Convalescent Home for the great benefit which the use of these 13 beds has enabled the Trustees to confer on so many Patients of the Hospital.

Signed on behalf of the Trustees,

18th December, 1934.

H. A. PITMAN.
